This Association is the largest, oldest and most successful Mutual Insurance Association in California and the majority of its members are in and near San Francisco where it is best known. It now confines its Agencies to the Pacific Coast. The wisdom of this act is shown by the strenuous efforts made by the Eastern companies for California business, recognizing as they do, the necessity of equalizing the extra death rate elsewhere caused by climatic conditions. "An insurance company that reaches too far is liable to disasters common to the merchant who spreads his business over all Creation."

PYÆMIA

Is the most virulent form of blood-poisoning. Less speedily fatal, but not less certainly so, is the vitiation of the blood of which the first symptoms are Eruptions, Sties, Bolls, and Cutaneous Eruptions. When the taint of Scrofula gives warning of its presence by such indications, no time should be lost in using AYER'S SARSAPARILLA, the only perfect and reliable medicine for the purification of the blood.

SCROFULA

Is a foul corruption in the blood that rots out all the machinery of life. Nothing will eradicate it from the system and prevent its transmission to offspring, but AYER'S SARSAPARILLA. This preparation is also the only one that will cleanse the blood of Mercurial poison and the taint of Contagious Diseases. Impure blood is productive of

ANÆMIA,

A wretched condition indicated by Pallid Skin, Flaccid Muscles, Shattered Nerves, and Melancholy. Its first symptoms are Weakness, Languor, Loss of Nerve Force, and Mental Dejection. Its course, unchecked, leads inevitably to insanity or death. Women frequently suffer from it. The only medicine that, while purifying the blood, enriches it with new vitality, and invigorates the whole system, is
